## A Mission Like No Other

# Experience the most unique Scout program on Earth.

From a day of adventure to weekend overnight stays, the Cosmosphere is popular with scouts of all ages because we go above and beyond exploring the great outdoors. We explore the universe.

**Hands-on Adventure and Learning** Scouts train like astronauts and emerge from the experience with leadership skills, and badges (see backside for details).

### Camp in the Cosmosphere

- Overnight stay at the Cosmosphere
- Tour the Hall of Space Museum
- Breakfast and dinner included
- Customize the experience for your troop

### Send them to Space
